## Access Your Official Account

When your club begins the registration process on the RTR and generates an invoice an auto-generated email is sent to you with a direct link to your Official Account. Check your spam folder. Some work emails do not allow these type of emails. Consider using a personal email address (see sample of emails at the end of this document).

Please make sure that the email address your club has on file is up to date. Contact your Club Official Administrator with this information.

If your email address is up to date AND the registration process has begun but you are still not receiving the auto-generated email with the direct link follow these steps to access your swimmer(s) account:

1. Go to link <https://registration.swimming.ca/Login.aspx>
2. Click Forgot Username/Password under Login Button
3. Enter email address **AND select Official**
